PRESS RELEASE

POSITIVE COVID 19 CASES IN BSF

In continuation of Press release issued on 07.05.2020

30 New cases of COVID-19 Positive BSF personnel (06 from Delhi and 24 from Tripura) have been reported from different establishments. All of them are under the best available medical care at AIIMS Jhajjar and at G B Pant Hospital, Agartala.

2. All instructions and directions of MoHFW are strictly being followed. Frequencies of sanitization efforts of work places/living barracks have been increased. In addition to existing apparatus of sanitization, improvised methods like water cannons are used for quick disinfection of buildings and establishments. BSF personnel are repeatedly sensitized to firmly adhere to preventive protocols.
